

### INTERESTED IN SPORTS?

Then the AAU is the place to start! The philosophy of "**Sports for All, Forever**" is shared by over 500,000 participants and over 50,000 volunteers. The Districts annually sanction more than 34 sports programs, 250 national championships, over 30,000 age division events, and over 15,000 local, regional and national competitions.

The AAU sponsors the AAU Junior Olympic Games, the AAU James E. Sullivan Memorial Award along with the AAU Complete Athlete Program. Two of the AAU's flagship programs, which are administered for the President's Council on Physical Fitness and Sports are the President's Challenge and the Presidential Sports Award.

Established in 1888, the AAU is one of the largest, non-profit, volunteer, sports organizations in the United States and is dedicated exclusively to the promotion and development of amateur sports.

Today the AAU continues to operate on the basic principles by maintaining the mutual interests of its members while achieving and improving amateur sports.
