

The AAU Strength Sports National Executive Committee is proud to announce the list of 2015 AAU Strength Sports Academic All Americans. This award recognizes student-athletes from across the country for excellence in academics and athletics. All recipients attended school during the 2015 school year and participated in AAU Strength Sports meets – weightlifting, powerlifting, feats of strength and combine. They are hereby bestowed the title of "Academic All-American."

First name	Last name	Team	Age	School	State
