

# 2015 AAU Strength Sports Academic All American Award Application

The AAU Strength Sports National Executive Committee will award the title AAU Strength Sports Academic All American to deserving athletes for 2015. The Committee believes in recognizing academic and athletic excellence, and this recognition will honor school-age athletes in all disciplines - weightlifting, powerlifting, all-sports combine or feats of strength. The Executive Committee will acknowledge individuals selected with a certificate and official announcement online.

Coaches or parents may nominate top academic athletes in elementary, middle school or high school using the form below. The deadline for submission is December 7, 2015. Athletes nominated must have competed in AAU Strength Sports in 2015 and have a record of excellent academic achievement. Applications should be completed, scanned and submitted via email to both bayoustatebarbell@gmail.com and aaustrengthsports@yahoo.com. The Committee will review all applications, and recipients will be announced online and will receive an AAU Strength Sports Academic All American Award Certificate.
