I.B.7. A mouth-guard. May be any color except solid red. Athletes with dental braces must wear special mouth guards for braces that cover both upper and lower teeth

I.B.8. Males are required to wear groin protection (hard cup). Female groin protection is optional. All groin protection must be worn inside the dobok.

I.C. Equipment Color at Tournaments Other Than National Events

I.C.1. At tournaments other than national events ONLY, the tournament director has the option to waive the color requirement for the hand, foot, and headgear equipment.

I.C.2. At any event where the gear color is waived, there must be an announcement or available literature stating that waiving the color requirement applies only to local events and that the gear color requirements will be strictly enforced at all national events.

Article II. Personal Requirements

II.A. Personal Requirements & Compliance. Competitors shall keep their nails short and are forbidden to wear any metallic article that may injure or endanger an opponent. Hair shall be tucked inside the head gear.

II.B. Metallic Articles. The phrase “metallic articles” includes all hard objects, which may cause injury. It is not sufficient to cover a hard or metallic article such as a ring with tape or other covering.

II.C. Personal Hygiene. The personal hygiene of all competitors shall be of the highest standard. Any competitor wearing an excessively unkempt or dirty uniform will be required to change it immediately. If the competitor cannot or will not comply, the Referee shall declare the opponent the winner.

II.D. Medical Tape. A maximum of three layers of tape are allowed except in the case of an injury. For an injury, the minimum amount of tape that will protect the area should be approved by the tournament medical team. Under no circumstances will a hard splint or cast be allowed, no matter how small.

II.E. Drugs. The administration or use of any drugs (except antibiotics or other medically prescribed therapeutics), alcohol, stimulants, or injections in any part of the body, either before or during a match, to or by any competitor is absolutely prohibited. Any competitor violating these rules will be disqualified.

II.F. Eyeglasses. For all belt ranks 5 to 11 years of age (excluding the mini-cadet black belt division age 10-11), "sport" eyeglasses will be allowed in Olympic Sparring competition. Soft contacts are highly recommended. Regular eyeglasses are not allowed.

Article III. Compliance

III.A. If a competitor, upon being called to the center of the ring to compete, is found in violation of Articles I and/or II (Protective Equipment and Personal Requirements) that competitor will receive one minute to come into compliance. If within that one minute the competitor returns to the center ready to compete, he/she will receive a *gam-jeom* and the match will begin. If he/she does not return to the center ready to compete at the end of one minute an additional one-minute count down will begin. If that competitor returns to the center within the second one-minute period, then the competitor will receive a second *gam-jeom* and the match will begin. If the competitor does not return within the total two-minute grace period, that competitor may be disqualified.

Article IV. Weight (lbs) and Age Divisions in General

Weight charts can be found in the Policy section of the handbook in the Olympic Sparring section. The charts are established as a general guideline for all licensed events. The event director, of course, has the right to establish those age and weight categories best suited for his/her event based on the number of competitors. However, careful consideration must be given when contemplating changes to the recommended classes.

Article V. Duration of Competition

- V.A.** Match Times. All match times shall consist of three (3) 90-second rounds with a 30-second rest between rounds.
- V.B.** Rest Time Between Semi-Final and Final Matches. Competitors shall be allowed at least a two-minute rest between semi-final and final matches.
- V.C.** For District and Regional competition, the tournament director has the option to modify the match times as desired. Match times being used at local events must be specified on tournament flyer if varied from above prescribed times.

Article VI. Permitted techniques

- VI.A.** Fist technique: A straight punching technique using the knuckle part of a tightly clenched fist
- VI.B.** Foot technique: Delivering techniques using any part of the foot below the ankle.

Article VII Permitted areas

- VII.A.** Trunk: Attack by the fist and foot techniques on the areas covered by the trunk protector are permitted. However, such attacks shall not be made on the part of the spine.
- VII.B.** Head: The area above the collar bone. Only foot techniques are permitted.
- VII.C.** If a legal implement hits a legal target area, but part of the striking implement also lands in an illegal area, it will be considered a legal strike.

Article VIII. Points (Valid Scores)

VIII.A. Scoring Areas

- VIII.A.1.** Body: The blue or red colored area of the trunk protector
- VIII.A.2.** Head: The entire head above the bottom line of the head protector

VIII.B. Criteria for Valid Points

- VIII.B.1.** Points shall be awarded when permitted techniques are delivered accurately and powerfully to legal scoring areas of the body (The blue or red colored area of the body protector).
- VIII.B.2.** Points shall be awarded when permitted foot techniques are delivered accurately to the head.

VIII.C. Points Awarded for Legal Attacks to Legal Scoring Areas:

- VIII.C.1.** One (1) point for a valid hand attack to the legal scoring area of the trunk
- VIII.C.2.** Two (2) points for a valid foot attack to the legal scoring area of the trunk
- VIII.C.3.** Four (4) points for a valid turning kick to the legal scoring area of the trunk (continuous motion)
- VIII.C.4.** Three (3) points for a valid kick to the head
- VIII.C.5.** Five (5) points for a valid turning kick to the head (continuous motion)
- VIII.C.6.** One (1) point will be awarded a competitor for every *gam-jeom* infraction given to the opponent.
- VIII.C.7.** If using PSS, determination of the validity of the technique, level of impact, and/or valid contact to the scoring area shall be made by the electronic scoring system. These PSS determinations shall not be subject to challenge from a coach.
- VIII.C.8.** The Chief Referee Committee shall determine the required level of impact and sensitivity of the PSS, using different scales in consideration of weight category,

gender and age groups. In certain circumstances, as deemed necessary, the Chief Referee Committee may recalibrate the valid level of impact.

VIII.C.9. Match score shall be the sum of the number of rounds won of the three (3) rounds.

VIII.D. Invalidation of point(s): When a contestant records point(s) following prohibited act:
VIII.D.1. If prohibited act is followed by point(s), the referee shall declare the penalty for the prohibited act and invalidate the point(s)

VIII.E. When Using Electronic Protector and Scoring System (PSS) points scored on the mid-section of the trunk shall be recorded automatically by the transmitter in the electronic trunk protector. If Electronic Headgear is utilized, only points scored by the headgear shall be recorded automatically by the transmitter in the headgear.

VIII.E.1. Valid points scored on the mid-section of the trunk or the headgear shall be recorded automatically by the transmitter in the PSS. In case of a valid turning kick to the trunk protector or headgear, the “valid point” shall be scored automatically by the transmitter in the PSS.

VIII.E.1.a. If technical points were given for a turning kick, but the kick was not scored by the PSS, the technical point shall be invalidated.

VIII.E.2. Judges shall score:

VIII.E.2.a. Valid point(s) to the head area by a foot technique when electronic headgear is not utilized.

VIII.E.2.b. Valid point to the body by a valid hand technique.

VIII.E.2.c. Technical points for a valid turning kick to the head or trunk.

VIII.E.3 Valid points shall be those scored by two or more judges.

(Explanation #1)

Points shall be immediately recorded: Immediate scoring means awarding the point immediately after delivery of the scoring technique. Points awarded after a period of time has elapsed cannot be considered valid.

(Explanation #2)

In case of non-use of PSS: All scoring must be done according to the judge’s own decision. There must be equipment available which is capable of immediately conveying the recorded point to the scoreboard. However, when electronic publication equipment is not available, the points shall be immediately recorded on the judge’s scoring sheet and publicized at the end of the round.

(Explanation #3)

Back kick (Dwichagi) is one type of turning kick technique. The head and shoulder rotation must occur to be considered as a back kick (Dwichagi) and awarded technical points. When a contestant kicks an opponent with the back kick (Dwichagi) without contestant’s simultaneous rotation of head and shoulder, back kick (Dwichagi) will not be considered a turning kick.

Article IX. Definition of a Knockdown

IX.A. Knock Down. A knock down shall be declared when a legitimate attack is delivered and any of the following criteria are met:

IX.A.1. When any part of the body other than the sole of the foot touches the floor due to the force of the opponent’s scoring technique

IX.A.2. When a competitor is staggered, showing no intention or ability to pursue the match following the opponent's scoring technique. This includes a strong impact to the head, kick to the eye(s) or bleeding.

IX.A.3. The Referee determines that the contest cannot continue as the result of any scoring technique.

Article X. In the Case of A Knock Down

X.A. When a competitor is knocked down as the result of the opponent's scoring technique, and the referee deems that an eight-count is warranted, the following measures will be taken:

X.A.1. The referee shall keep the attacker away from downed competitor by declaration of *kal-yeo* (break).

X.A.2. The referee shall first check the status of the downed competitor and count aloud from *ha-nah* (one) up to *yeol* (ten) at one-second intervals toward the downed competitor, using hand signals to indicate the passage of time.

X.A.3. In case the downed competitor stands up during the referee's count and desires to continue the fight, the referee shall continue the count up to *yeo-dul* (eight) for recovery of the competitor. The referee shall then determine if the competitor is recovered and, if so, continue the contest by declaration of *kye-sok* (continue). If resumption is hampered by the requirement of medical treatment, the referee must first resume the match with the declaration of *kye-sok*, and immediately after declare *kal-yeo* and *kye-shi* and then follow the procedures for suspending the match.

X.A.4. When a competitor who has been knocked down cannot demonstrate the will to resume the contest by the count of *yeo-dul* (eight), the referee shall announce the other competitor winner by RSC (Referee stops contest).

X.A.5. The count shall be continued even after the end of the round or the expiration of the match time.

X.A.6. In case both competitors are knocked down, the referee shall continue counting as long as one of the competitors has not sufficiently recovered.

X.A.7. When both competitors fail to recover by the count of *yeol*, the winner shall be decided by the match score before the occurrence of knock down.

X.A.8. When it is judged by the referee that a competitor is unable to continue, the referee may decide the winner either without counting or during the counting.

X.B. Procedures to be Followed After RSC Due to Serious Injury. Any competitor who could not continue the match as a result of a serious injury to any part of the body may not enter another sparring competition within thirty (30) days and must also receive a physical examination and clearance from a physician.

(Explanation #1)

When a competitor who has been knocked down does not express the will to resume by the count of *yeo-dul* (8), the referee shall announce the other competitor winner by RSC, after counting to *yeol* (10).

The competitor expresses the will to continue the match by gesturing several times in a fighting position with the clenched fists. If the competitor cannot display this gesture by the count of *yeo-dul*, the referee must declare the other competitor winner after first counting *a-hop* (9) and *yeol* (10). Expressing the will to continue after the count of *yeo-dul* cannot be considered valid. Even if the competitor expresses the will to resume by the count of *yeo-dul*, the referee can continue counting and may declare the contest over if he/she determines the competitor is incapable of resuming the match.

(Explanation #2)

When a competitor is downed by a powerful scoring blow and whose condition appears serious, the referee can suspend the count and call for first aid or do so in conjunction with the count.

Article XI. Procedures for Suspending a Match

XI.A. To suspend a match for non-injury situations such as equipment adjustment, removal of foreign objects from competition floor, etc. the Referee shall:

XI.A.1. Declare *kal-yeo* to stop the competitor action

XI.A.2. Resume the contest by declaring *kye-sok* when situation is resolved

XI.B. To suspend a match for injury the Referee shall:

XI.B.1. Declare *kal-yeo* to stop the competitor action

XI.B.2. Order the timekeeper to suspend match time and start injury time by declaring *kye-shi* (injury time-out) using the proper hand signal (injury time shall not exceed one minute).

XI.B.3. Allow the injured competitor to receive first aid (within one (1) minute). Medical personnel may extend the injury time-out period up to two (2) minutes total if necessary.

XI.B.4. Competitors will receive one injury time-out per match per injury. Once initial injury time-out has expired, competitor may not receive another injury time-out for the same injury.

XI.C. If the injured competitor cannot continue the match, the Referee shall:

XI.C.1. Declare the injured competitor the loser if the injury was not the result of an attack, such as a twisted ankle or wrenched knee.

XI.C.2. Declare the other contestant the winner if an injured contestant cannot return to the match after one minute as the result of a legal attack to a legal target area.

XI.C.2.a. Pain does not constitute an injury. If the Referee determines a competitor is in pain, but does not suffer an actual injury, such as a broken bone, the Referee shall declare *Kal-yeo* and give a command to resume the match with the call, "stand-up." If the competitor refuses to continue the match after the Referee gives the command "stand up" three times in 3 second intervals, the Referee shall declare the match over due to RSC (Referee Stops Contest)

XI.C.3. Declare the injured competitor the winner if the injury was the result of a prohibited act to be penalized by a *gam-jeom* penalty

XI.C.3.a. If the Referee determines a competitor has received an injury such as broken bone(s), dislocation, sprain ankle(s), and/or bleeding, the referee shall allow the competitor to receive a first aid treatment for one minute by announcing *Kye-shi*. The Referee may allow the competitor to receive first aid treatment even after giving a command to "stand-up" if the competitor is subsequently determined to be injured.

XI.C.4. Declare a winner based on the score before the injury if both competitors are injured and cannot continue

XI.C.5. The Referee may consult with the Team Leader to make a decision

XI.D. If the Referee determines a competitor has received an injury such as broken bone(s), dislocation, sprain ankle(s), and/or bleeding, the Referee shall consult with the medical personnel. If a competitor is re-injured in the same manner, the medical personnel may advise the Referee to stop the match and declare the injured competitor the loser.

(Explanation #1)

If an injury requires treatment, the Referee will announce *kye-shi*. The injured will have one minute for medical assistance. It is the decision of the Referee, after consultation with the medical personnel, whether it is possible for the competitor to resume the match. The referee can order the competitor to resume the match any time within one minute. The referee can declare any competitor who does not follow the order to resume the match the loser of the match.

While the competitor is receiving medical treatment, or is in the process of recovering, 40 seconds after the declaration of *kye-shi*, the referee will begin to loudly announce the passage of time in five second intervals. When the competitor cannot return to the competitor's mark by the end of the one-minute period, the match results must be declared.

After the declaration of *kye-shi*, the one-minute time interval must be strictly observed regardless of the medical personnel availability. However, when the doctor's treatment is required but the medical personnel is not available or additional treatment is necessary, the one minute time limit can be suspended at the judgment of the referee.

If resumption of the match is impossible after one minute, the decision of the match will be determined according to guidelines described above.

If both competitors become incapacitated and are unable to resume the match after one minute or urgent conditions arise, the match result is decided according to the following criteria:

- If the outcome is the result of a prohibited act to be penalized by *gam-jeom* by one competitor, that competitor shall be the loser.
- If the outcome was not related to any prohibited act to be penalized by *gam-jeom*, the result of the match shall be determined by the match score at the time of suspension of the match. However, if the suspension occurs before the end of the first round, the match shall be invalidated, and the Tournament Director will determine an appropriate time to re-contest the match. The competitor who cannot resume the match shall be deemed to have withdrawn from the match.
- If the outcome is the result of prohibited acts to be penalized by *gam-jeom* by both competitors, then both competitors shall lose.

(Explanation #2)

The situation which warrants suspending the match beyond the above prescribed procedures shall be treated as follows:

- When uncontrollable circumstances require suspension of the match, the Referee shall suspend the match and follow the directives of the Chief Referee Committee.
- If the match is suspended after the completion of the next to last round, the outcome shall be determined according to the match score at the time of suspension.
- If the match is suspended before the conclusion of the next to last round, a rematch shall, in principle, be conducted and shall be held in two or three rounds, the same as in the original match.

Article XII. Rules of Superiority

XII.A. In the best of three (3) system, in case of a tie score for corresponding round, the round winner shall be decided by superiority based on the following criteria:

XII.A.1. Most points scored by turning or spinning kick.

XII.A.2. If the technical score is the same, the contestant who has more points scored in the order of a higher value technique as follows – (Head, Trunk, Punch, Gam-Jeom).

XII.A.3. If the high value points are the same, the contestant who received the higher number of hits registered by the PSS.

XII.A.4. If the three above criteria are the same, the referee and judges shall determine superiority based on the decision of superiority listed in the following article.

XII.A.4.a. In case of two (2) corner judges, winner shall be decided by referee and two (2) judges

XII.A.4.b. In case of three (3) corner judges, winner shall be decided by three (3) judges excluding the referee

XII.B. The decision of superiority will be made in the following manner:

XII.B.1. The competitor who has shown the most initiative, which is defined as:

XII.B.1.a. Technical dominance of the opponent through aggressive match management

XII.B.1.b. The greater number of techniques executed

XII.B.1.c. The use of more advanced techniques, both in difficulty and complexity

XII.B.1.d. Display of better competition manner

Article XIII. Match Decision

XIII.A. Determination of the Winner shall be made as follows:

XIII.A.1. Win by Referee Stops Contest (RSC)

XIII.A.2. Win by Final Score (PTF)

XIII.A.3. Win by Withdrawal (WDR)

XIII.A.4. Win by Disqualification (DSQ)

XIII.A.5. Win by Disqualification for unsportsmanlike behavior (DQB)

Explanation #1) Referee Stops Contest. The referee declares RSC in the following situations:

- If a competitor has been knocked down by an opponent's scoring technique and cannot resume the contest by the count of *yeo-dul*; or if the referee determines the competitor is not able to resume the competition regardless of the progress of the count
- If a competitor cannot continue the match after one minute of medical treatment
- If a competitor disregards the referee's command to continue the match three times
- If the referee recognizes the need to stop the match to protect a competitor's safety
- When the tournament medical staff determines that the match should be stopped due to a competitor's injury

(Explanation #2) Win by Final Score (PTF). Match score shall be the sum of the number of rounds won of the three rounds.

(Explanation #3) Win by Withdrawal. The winner is determined by withdrawal of the opponent:

- When a competitor withdraws from the match due to injury or other reasons
- When a competitor does not resume the match after the rest period or fails to respond to the call to begin the match
- When the coach throws a towel into the court to signify forfeiture of the match

(Explanation #4) Win by Disqualification. This is the result determined by the competitor's failure in weigh-in or when a competitor loses competitor status before the competition begins.

(Explanation #5) Win by Disqualification for Unsportsmanlike Behavior (DQB)

- If it is determined that a competitor manipulated the sensor(s) or scoring system of the PSS
- If a competitor or coach refuses to follow the referee's commands or to comply with the competition rules, or commits other serious infringing behavior including improper protests

XIII.B. Gap Rule

In case of twelve (12) points difference between two athletes per round, the referee shall stop the contest and shall declare the winner by point gap for corresponding round.

Article XIV. Prohibited Acts

XIV.A. The Referee shall declare penalties on any prohibited acts. Prohibited acts shall be penalized with *Gam-jeom* (deduction penalty).

XIV.B. In the case of multiple penalties being committed simultaneously by the same competitor, only one (1) penalty shall be declared (preferably the first).

XIV.C. A *gam-jeom* shall be counted as a one point penalty which will be recorded by adding one point to the opponent's score. All *gam-jeoms* are counted in the grand total.

XIV.D. *Gam-jeom* Penalties: The following shall be classified as prohibited acts, and *gam-jeom* shall be declared.

XIV.D.1. Crossing the boundary line with one foot touching the mat

XIV.D.2. Falling Down

XIV.D.3. Avoiding or delaying the match

XIV.D.4. Grabbing or pushing the opponent

XIV.D.5. The following are considered prohibited acts:

XIV.D.5.a. Lifting the leg to block

XIV.D.5.b. Kicking the opponent's leg to impede the opponent's kicking attack

XIV.D.5.c. Lifting the leg or kick was aiming below the waist without follow-up attack

XIV.D.5.d. Lifting the leg in the air for more than three (3) kicks

XIV.D.5.e. Lifting a leg or kicking in the air for more than three (3) seconds to impede opponent's potential attacking movements

XIV.D.6. Kicking below the waist

XIV.D.7. Attacking the opponent after *kal-yeo*

XIV.D.8. Hitting the opponent's head with the hand

XIV.D.9. Butting or attacking with the knee

XIV.D.10. Attacking the fallen opponent

XIV.D.11. Attacking trunk PSS with the side or bottom of the foot in clinch position

XIV.D.12. Attacking back of the head PSS in clinch position

XIV.D.13. Following misconducts of contestant or coach

- XIV.D.13.a.** Not complying with the referee's command or decision
- XIV.D.13.b.** Inappropriate protesting behavior to officials' decision
- XIV.D.13.c.** Inappropriate attempts to disturb or influence the outcome of the match
- XIV.D.13.d.** Provoking or insulting the opposing contestant or coach
- XIV.D.13.e.** Any other severe misconduct or unsportsmanlike conduct from a contestant or coach

XIV.E. When a coach or contestant commits excessive misconduct and does not follow the referee's command, the referee may declare a sanction request by raising a yellow card. In this case, the Arbiter shall investigate the contestant's and/or coach's behavior and determine whether a sanction is appropriate.

XIV.F. If a contestant intentionally and repeatedly refuses to comply with the competition rules or the referee's orders, the referee may end the match raising the yellow card and declare the opposing contestant the winner.

XIV.G. If the referee at the inspection desk or officials in the field of play determine, in consultation with the PSS technician, if necessary, that a contestant or coach has attempted to manipulate the sensitivity of PSS sensor(s) and/or inappropriately alter the PSS so as to affect its performance, the contestant shall be disqualified.

XIV.H. When a contestant receives five (5) *gam-jeom* penalties in a round, the opponent will be declared the winner of that round.

Explanation of *Gam-jeom* Penalties

Crossing the Boundary Line:

A *gam-jeom* shall be declared when one foot of a contestant crosses the Boundary Line. No *gam-jeom* will be declared if a contestant crosses the boundary line as a result of a prohibited act by the opposing contestant.

Falling down:

"Gam-jeom" shall be declared for falling down. However, if a contestant falls down due to the opponent's prohibited acts *gam-jeom* penalty shall not be given to the fallen contestant, while a penalty shall be given to the opponent. If both contestants fall as a result of incidental collision, or in case a contestant who received a point with turning kick falls down, no penalty shall be given.

Avoiding or delaying the match:

This act involves stalling with no intention of attacking. A contestant who continuously displays a non-engaging style shall be given a "Gam-jeom". If both contestants remain inactive after three (3) seconds, the center referee will signal the "Fight" command. A *gam-jeom* will be declared: On both contestants if there is no activity from them three (3)seconds after the command was given; or on the contestant who moved backwards from the original position three (3) seconds after the command was given.

Turning the back and move away to avoid the opponent's attack should be punished as it expresses the lack of a spirit of fair play and may cause serious injury. The same penalty should also be given for evading the opponent's attack by bending below waist level or crouching.

Retreating from the technical engagement only to avoid the opponent's attack and to run out the clock, "Gam-jeom" shall be given to the passive contestant.

Pretending injury means exaggerating injury or indicating pain in a body part not subjected to a blow for the purpose of demonstrating the opponent's actions as a violation, and also exaggerating pain for the purpose of elapsing the match time. In this case, the referee shall give a "Gam-jeom" however referee may request IVR for clarification before declaration of "Gam-jeom" for pretending injury.

Gam-jeom shall also be given to the athlete who asks the referee to stop the contest in order to adjust the position/fit of protective equipment.

Grabbing or pushing the opponent:

This includes grabbing any part of the opponent's body, uniform or protective equipment with the hands. It also includes the act of grabbing the foot or leg or hooking the leg with forearm. For pushing, it is permitted as a quick impact and a contestant must disengage from opponent after one push. The flowing acts shall be penalized.

- Pushing the opponent with prolonged or continuous contact
- Pushing the opponent out of the boundary line
- Pushing the opponent in a way that prevents kicking motion or any normal execution of attacking movement

Contestants should be separated following the referee's "fight" command in clinch position, and if they fail to do so within three (3) seconds, *gam-jeom* will be given to the passive contestant or to both contestants.

Gam-jeom will be given to the contestant who is grabbing, holding or crossing the arms to opponent's body in clinch position

Lifting the leg or cut kick motion shall not be penalized only when it is followed by execution of punching or kicking technique in combination motion.

Attacking below the waist:

This action applies to an attack on any part below the waist. When an attack below the waist is caused by the recipient in the course of an exchange of techniques, no penalty will be given. This article also applies to strong kicking or stamping actions to any part of the thigh, knee or shin for the purpose of interfering with the opponent's technique.

Attacking the opponent after *kal-yeo*:

Attacking after *Kal-yeo* requires that the attack results in actual contact to the opponent's body.

If the attacking motion started before the *kal-yeo*, the attack shall not be penalized.

In Instant Video Replay, the timing of *Kal-yeo* shall be defined as the moment that the referee's *Kal-yeo* hand signal was completed (with fully extended arm); and the start the attack shall be defined as the moment that the attacking foot is fully off the floor.

If an attack after *Kal-yeo* did not land on the opponent's body but appeared deliberate and malicious the referee may penalize the behavior with a "Gam-jeom"

Hitting the opponent's head with the hand:

This article includes hitting the opponent's head with the hand (fist), wrist, arm, or elbow. However, unavoidable actions due to the opponent's carelessness such as excessively lowering the head or carelessly turning the body cannot be punished by this article.

Butting or attacking with the knee:

This article relates to an intentional butting or attacking with the knee when in close proximity to the opponent.

However, contact with the knee that happens in the following situations cannot be punished by this article.

- When the opponent rushes in abruptly at the moment a kick is being executed
- Inadvertently, or as the result of a discrepancy in distance in attacking.

Attacking the fallen opponent:

This action is extremely dangerous due to the high probability of injury to the opponent.

The danger arises from the following:

- The fallen opponent is in an immediate defenseless state
- The impact of any technique which strikes a fallen contestant will be greater due to the contestant's position.

These types of aggressive actions toward a fallen opponent are not in accordance with the spirit of taekwondo and as such are not appropriate to taekwondo competition. In this regard, penalties should be given for intentionally attacking the fallen opponent regardless of the degree of impact

When misconduct is committed by a contestant or a coach during a rest period, past the five (5) seconds of the round conclusion, the referee can immediately declare the "Gam-jeom" and the *gam-jeom* shall be recorded to the upcoming round.

However, *gam-jeom* shall be recorded to the previous round if the action happened within five (5) seconds of the round conclusion.

Article XV. IVR (Instant Video Replay) and Appeals

XV.A. Each coach shall have the following quantity of Challenge Cards for Appeals per match:

XV.A.1. Non-IVR matches: 2 cards

XV.A.2. IVR matches: 1 card, however the tournament director may decide the quantity of Challenge Cards allowed.

XV.B. Coach's appeal is limited to only (1) action which has occurred within (5) seconds of the appeal. Once the coach raises the Challenge Card to request an appeal, it will be considered that the coach has used their allocated appeal, unless the Judge's meeting satisfies the coach. If the coach's appeal is successful and the contested request is corrected, the coach shall retain the appeal right for the match.

XV.C. Coach may only appeal the following:

XV.C.1. IVR matches only: Penalties against the opponent for instances of falling down or crossing the boundary line or attacking the opponent after *kal-yeo* or attacking the fallen opponent

XV.C.2. Technical point

XV.C.3. IVR matches only: Any penalty against own contestant

XV.C.4. Any mechanical malfunction or error in time management. In case of appeal for PSS mechanical malfunction, the coach may use his challenge card to request testing of the PSS at any time during the 2nd and/or 3rd round. However if the PSS mechanical function is working properly, the coach shall lose his challenge card and his player will receive a *gam-jeom* for misconduct. (Referee shall use his challenge card to test PSS equipment during 1st round).

XV.C.5. When referee forgot to invalidate point(s) after *gam-jeom* was given for prohibited act.

XV.C.6. Wrong identification of fist attacking contestant by judge

XV.C.7. Head kick that is not scored

XV.D. If the referee perceives a contestant to be staggering, bleeding or knocked down by a kick to the head, this includes a strong impact to the head, kick to the eye(s) or bleeding, and so begins counting, but the attack was not scored by the head PSS, the referee shall request IVR or judges review to make the decision for awarding or not awarding points after the count.

XV.E. At any time during the match any of the judges can ask for IVR review for technical points (addition or removal), regardless of coach's challenge card status.

XV.F. The decision of the Review Jury is final; no further appeals during the contest or protest after the contest will be accepted.

XV.G. In the case that there is a clear erroneous decision from the refereeing officials on identification of the contestant or errors in the scoring system, any of the refereeing officials shall request for review and correct the decision at any time during the contest. If correction is decided, it has to take place ahead of the following contest for winner of the contest in question.

Article XVI. Protests

XVI.A. Filing a Protest. In case there is an objection to a decision; the appointed coach (and he/she alone) representing the athlete may file a written protest to the event head Referee or Tournament Director, along with a fee of \$75 (cash only). The protest will be submitted on the official protest form (See Appendix B). The appointed coach MUST inform the Referee or Team Leader of that match immediately that it is their intent to protest the match. The written protest itself must be filed within a reasonable period of time. However, if the protest involves in error in the management of that division, such as miscalculating the score or misidentifying an athlete, the correction must take place immediately.

XVI.B. Deliberation Process

XVI.B.1. After reviewing the protest application, the content of the protest must be arranged according to the criterion of "acceptable" or "unacceptable."

XVI.B.2. If necessary, the arbiter can hear opinions from the Referee, Judges, or Team Leader.

XVI.B.3. If necessary, the arbiter can review the material evidence of the decisions, such as the written data (score sheets). Official ring IVR video WILL be allowed as evidence to confirm or disconfirm the protest.

XVI.B.4. Errors in determining the match results: Mistakes in calculating the match score or misidentifying a competitor shall result in the decision being reversed.

XVI.B.5. Error in application of rules: When it is determined by the arbiter that the Referee made a clear error in applying the competition rules, the outcome of the error shall be corrected, and the Referee shall be disciplined and/or sanctioned.

XVI.B.6. Errors in factual judgment: When the arbiter decides that there was clearly an error in judging the facts such as impact of striking, severity of action or conduct, intentionally, timing of an act in relation to a declaration or area, the decision shall not be changed and the official(s) who have made the error shall be disciplined and or sanctioned.

XVI.B.7. The decision of the arbiter will be final and there will be no means of further appeal.

Article XVII. Safety Rules Governing Olympic-Style Sparring for Youth Competitors

The following special section of the Competition Rules shall apply to all belt ranks 5 to 14 years of age and colored belts 15 to 17 years of age competing in the Olympic Style Division.

XVII.A. General Rules. In the local/preliminary, District, Regional, and National level competition, the rules concerning a kick to the head area shall be as follows:

XVII.A.1. The competitor is encouraged to kick to the head area; however, the kick must be light contact with absolute control or the appropriate penalty shall be invoked.

XVII.A.2. The competitor who executes a successful technique (light contact) will be awarded three or five points, whichever is applicable based on the type of kick.

XVII.A.3. The competitor who executes a kick to the head or neck, which does not cause injury, but, in the judgment of the Referee, is deemed excessive, will receive a one-point penalty (*gam-jeom*).

XVII.A.4. The competitor who executes a kick to the head or neck, which results in a minor injury, shall receive a one-point penalty. A minor injury is defined as an abrasion or bleeding caused by excessive contact. The Referee, with or without consultation with the tournament physician, shall determine if the abrasion or bleeding is a minor injury and if the attack is a non-excessive one.

XVII.A.5. The competitor who executes a kick to the head or neck, which results in the inability of the opponent to continue, due to the injury, shall be disqualified. The Referee, with or without consultation with the tournament physician and or Team Leader, shall determine if the attack is excessive contact, and disqualification.

NOTE: Inability to continue because of fright, crying, or loss of will following a legal kick to the head does not constitute grounds for disqualification of the attacker.

****Note Exception:** The 12–14 year old Black Belt Cadets shall compete using the same rules as the 15–17 year old Black Belt Junior at the Team Trials competition.

General Rules and Regulations for Traditional Forms/Patterns/Poomsae Competition

(Age and Belt Division Chart can be found in the Policy Section of the Handbook)

Article I. Traditional Forms Competition Defined

I.A. Traditional forms/patterns/Poomsae competition allows for a forms competition where a recognized form/pattern/poomsae (form) competes with another recognized form, thus allowing different schools who teach the same form with different nuances to compete with an established judging criteria that recognizes that there is no one accepted method of doing forms from that style of taekwondo.

I.A.1. There are three different taekwondo styles that are accepted in AAU forms competition. The accepted styles originated in the International Taekwondo Federation (ITF), World Taekwondo Federation (WTF) or currently World Taekwondo (WT), or Moo Duk Kwan/Tang Soo Do (MDK.TSD). Originating in these different organizations provides a recognized version of the form but allows for stylistic differences from school to school.

I.B. Traditional forms competition is different from WT Sport Poomsae competition. The criteria for judging WT Sport Poomsae is not used in the traditional forms competition. Sport Poomsae competition is offered, and those rules are outlined at www.aautaekwondo.org.

Article II. Merits

Merit will be awarded on the basis of Technique, Power, Focus, Rhythm, Grace and Beauty. These are listed in order of importance when judging.

Article III. Judging Procedure.

Traditional forms/patterns will be as bracketed competition for all National and qualifying events.

III.A. Bracketed Competition

All methods of bracketed competition are allowed. Qualifying tournaments will use bracketed competition. At National level competition, the Brazilian Repechage system will be used. (See Appendix D) Two competitors will perform their form/pattern simultaneously. No competitor may begin his pattern a second time (unless both competitors are unable to complete their form during the first time through).

When using three judges, they shall be positioned in an equilateral triangle, one on each front corner and one between the two remaining corners. The referee shall abstain from scoring.

When using five scorers, the judges shall be positioned at the four corners of the competition area and the referee shall be positioned in the rear between the two corner judges. The referee shall represent the fifth scorer.

When using two judges, the judges shall be positioned at the right and left corner of the front of the competition area and the referee shall be positioned in the center rear, effectively creating an equilateral triangle. The referee shall represent the third scorer.

When scoring bracketed forms, red and blue flags will be used.

III.B. Non qualifying and Para Taekwondo Divisions may use individual scored forms competition. See Para Taekwondo Division Rule Modifications for additional information.

III.B.1. Judges shall be seated in the four corners with the Referee in front of the scorer's table.

III.B.2. Points shall be awarded on a scale of 7.0 to 10.0 in tenths of a point (0.1) increment, 7.0 being the lowest score awarded for a completed pattern. 8.0 shall be the score awarded by an Official for what that Official deems to be an average performance for that age and rank division in which the competitor competes.

III.B.3. Judges shall display the score of each competitor.

III.B.4. The highest and lowest scores shall be thrown out and the remaining three scores added to compute a total score.

III.B.5. In the case of a tie, the lowest score shall be added back to break the tie. If still tied, the highest score shall then be added back as well. If this procedure fails to break the tie, then both competitors shall repeat their form/pattern (competitors may choose to do a different form/pattern but are not required to do so).

III.B.6. The Score Keeper shall record the computation of the total score on the score sheet and the Referee shall sign the division results sheet.

III.B.7. Anyone under Black Belt may begin a pattern a second time with a two-tenths (0.2) deduction from the total score (not each individual Judge's score).

III.B.8. In the case of three judges instead of five, the three judges will be in an equilateral triangle with two at the front on either side of the head table and the third in the rear between the two back corners. The Referee will not judge in this scenario. Because there are only three judges, there will be no scores removed in calculating the competitor's final score.

Article IV. Recognized Forms/Patterns

IV.A. The official Forms/Patterns accepted for competition shall be forms that originated in the International Taekwondo Federation, the World Taekwondo Federation or current World Taekwondo, and Moo Duk Kwan/Tang Soo Do, as listed below:

AAU Division	Forms Originated In	Forms Originated In	Forms Originated In
Belt Rank	ITF	WT or WTF	MDK/TSD
<u>Novice</u> White, Yellow Orange	Chon-Ji Dan-Gun Do-San	Pal Gwe 1–2 Taegeuk 1–2	Ki-Cho (KiBon) 1–3 Pyung-An/Pinan 1
<u>Intermediate</u> Green, Purple Blue	Won-Hyo Yul Gok Joong-Gun Toi-Gye	Pal Gwe 2–6 Taegeuk 2–6	Ki-Cho (Ki Bon) 3–5 Pyung-An/Pinan 1–4
<u>Advanced</u> Red, Brown	Hwa-Rang Choong-Moo	Pal Gwe 6–8 Taegeuk 6–8	Pyung-An/Pinan 4–5 Passaai (Bassai) Dai Passaai (Bassai) So
<u>1st Dan</u>	Kwang-Gae Po-Eun Ge-Baek	Koryo	Passaai (Bassai) Dai Passaai (Bassai) So Jin Do
<u>2nd Dan</u>	Eui-Am Choon-Jang Ko-Dang Juche	Keumgang	Ro-Hai

<u>6th Dan</u>	Tong-Il	Jitae	O Sip Sa Bo
<u>7th Dan</u>		Chonkwon	Sei-Shan
<u>8th Dan</u>		Hansu	Sip Soo (Jit Te)
<u>9th Dan</u>		Ilyeo	

IV.B. Forms/Patterns Can Not Be Enhanced. When a change to a recognizable form/pattern compromises the integrity of the form for competitive purposes to impact the score of the form due to the change, it has been enhanced. This might be 1) adding or changing techniques that enhance the visual aesthetics of the form/pattern or 2) removing kicks or difficult techniques when they are an integral part of the recognized form/pattern.

Example: Executing an inside block instead of an outside block is not an enhancement to the form. Executing a jumping/turning crescent kick instead of a front snap kick would be an enhancement. A crescent kick instead of a stomp would not be an enhancement as they can be very similar in execution. Removing a section of a form because of its difficulty and a competitor's inability to perform that technique would be an enhancement.

Example: A novice belt leaves out a section of a form and it is evident from their rhythm and focus they forgot that section of the form. This isn't an enhancement but would be as though the competitor didn't complete the form and the judges should judge accordingly. Unless the other competitor also left out part of their form or failed to complete the form, this competitor should be judged the loser.

Example: Holding a chamber or a technique at an angle that isn't consistent with the current WT Sport Poomsae rules IS NOT an enhancement. Nor is a ki-hap that is in addition to or in a different place than current WT Sport Poomsae rules. Traditional forms do not judge on the same criteria as WT Sport Poomsae. No discounting should be applied because of this.

IV.C. Only forms listed in the above chart will be accepted for traditional forms competition.

IV.D. Legal Forms/Patterns for Competition

IV.D.1. Novice, Intermediate and Advanced rank competitors may do ANY

Form/Pattern listed for any of their previous Ranks as well as their current Rank.

IV.D.2. 1st Dan competitors may do ANY Form/Pattern listed for Advanced or 1st Dan Ranks

IV.D.3. 2nd Dan through 9th Dan competitors may do ANY Black Belt Form/Pattern listed for ANY Dan rank up to and including their current rank. (Ex. A 3rd Dan competitor could legally do ANY of the 1st Dan, 2nd Dan, or 3rd Dan Forms/Patterns listed for those Ranks.)

IV.E. Proper Protocol for Athlete Introduction to Referee.

IV.E.1. Procedure for bracketed forms

IV.E.1.a. For bracketed forms, the Referee will check all forms being performed and athlete's rank prior to the start of competition.

IV.E.2. Procedure for scored forms

IV.E.2.a. When a competitor is called to perform his/her form/pattern; they will approach the Referee in order to give their name and the name of their form. When approaching and backing away from the Referee, the competitor should do so quickly. The competitor, after having backed away from the Referee to begin their form/pattern, should begin when ready. Upon completion of the form/pattern the competitor should return to *joon-bi* without waiting for the Referee to command to do so.

IV.E.2.b. Competitors should not give their school name or instructor's name.

IV.E.2.c. Black Belt competitors are also required to state their current rank.

Article V. Protests

V.A. Filing a Protest

V.A.1. In case there is an objection to a decision, the appointed coach (and he/she alone) representing the athlete may file a written protest to the chief Arbiter or Tournament Director, along with a fee of \$75 (cash only). The protest will be submitted

on the official protest form. Immediately following the match, the appointed coach MUST inform the Referee or Team Leader for that match that they intend to protest the match. The written protest itself must be filed within a reasonable period of time. If the protest involves an error in the management of that division, such as miscalculating the score, misidentifying an athlete, or an illegal Form/Pattern being presented, the correction must take place immediately.

V.B. Deliberation Process

V.B.1. After reviewing the protest application, the content of the protest must be arranged according to the criterion of "acceptable" or "unacceptable".

V.B.2. If necessary, the event head Referee can hear opinions from the Referee, Judges, or Team Leader.

V.B.3. If necessary, the event head Referee can review the material evidence of the decisions, such as the written data (score sheets) or AAU official recordings. Official ring IVR video WILL be allowed to confirm or disconfirm the protest. Personal video WILL NOT be admitted as evidence to confirm or disconfirm the protest.

V.B.4. Errors in determining the match results: Mistakes in calculating the match score of misidentifying a competitor shall result in the decision being reversed.

V.B.5. When a Form/Pattern has been determined to be illegal (a form that is not allowed for the rank of the competitor), that competitor will be disqualified, and the result will be reversed.

V.B.6. Coaches MAY NOT protest a Form/Pattern he/she feels was modified.

V.B.7. The decision of the event head Referee will be final and there will be no means of further appeal.

General Rules and Regulations for Team Form Competition

II.A.1. Black Belt Youth (5-17) Team

II.A.2. Black Belt Senior (18+) Team

II.E. Black Belt Teams that only want to compete against Black Belts can only compete in either the Black Belt Youth (5-17) Division or the Black Belt Senior (18+) Division.

Article III. Determination of Winning Team

A team score will be awarded based on all criteria used in judging individual forms competition as well as the presentation of the team as a unit.

Article IV. Criteria for Form Selection

Black belt teams may perform any Black Belt Pattern. Mixed belt teams may perform any form up to and including the rank of the most senior member of the team.

Article V. Team Bracketed Forms

Procedure is identical to single competitor bracket forms with the exception that both teams will not perform their pattern simultaneously. After bow-in, *Hong* team exits the ring. *Chung* team will then perform their pattern. Once *Chung* team has completed their pattern and exited the ring, *Hong* team will reenter and perform their pattern. Referee will then follow the same procedure for bowing out and declaration of winner.

Sport Poomse Competition

In Sports Poomsae, athletes are judged based on the rules and criteria set forth by World Taekwondo and have been adjusted by AAU Taekwondo. These criteria for judging include technical skills, such as using the correct execution, techniques, and movements. To keep it brief, forms are scored based on a specific criterion in two categories, Accuracy & Presentation. Poomsae referees and judges are trained and certified to judge the competition. This Sport Poomsae is an event by itself different from WT Traditional or Open forms event.

In WTF or WT Traditional Forms, athletes perform WT forms (Taegeuk Forms for color belts and Koryo to Hansu for black belts) and are judged on aesthetic performance such as power, rhythm, speed, balance, and overall look of the form, not specifically on the specific technical skill. AAU officials are the judges for this event. They could be instructors from WT, ITF or TSD.

In Open Forms, WT, ITF & TSD forms competitors are allowed to perform in this event. Referees and judges judge based on the above criteria for the traditional (WT, ITF, TSD) forms.

For more detailed information on sport poomsae including rules, regulations, scoring criteria and poomsae referee development please refer to the sports poomsae page on the AAU Taekwondo website at www.aautaekwondo.org.

Brazilian Repechage Bracketing

The most common forms of brackets are single and double elimination bracketing systems. Single elimination is the least time consuming method of bracketing, however, if the 2 best competitors compete together early in the competition in a large bracket, the loser could be eliminated from any medal standing. True double elimination bracketing system ensures that everyone must lose twice except the 1st place competitor. This system is much fairer to the competitors but is extremely time consuming. Double elimination type brackets, both true double and modified double, are forms of a bracketing system which literally means “re-fishing.” It is a method of bracketing that, through different methods, gives losers a chance to medal.

The AAU program uses a form of bracketing called Brazilian for all types of forms competition as well as most Junior Olympic Games competition types, which operates under the basic concept that if a competitor loses to the 1st place competitor, that competitor will get a chance to reclaim 2nd place, no matter where in the bracket they lost. The top portion of a bracket must be completed prior to beginning the bottom portion of the bracket. The top portion of the bracket determines only the 1st place competitor in the division. The bottom portion of the bracket decides who will compete against the loser of the top bracket for 2nd and 3rd place. In the examples below, Andy is the obvious 1st place winner. However, anyone who lost to Andy could possibly be the true 2nd place person, including Matt who also lost to Andy. The bottom brackets compete to their completion which is a winner in each pool. At this point, the competitor in the same pool as the 1st place competitor, in this example Bob from Pool A, will compete for 2nd and 3rd against the competitor who lost to the 1st place competitor in the top bracket, in this example Matt. The competitor in the opposing Repechage bracket, in this example Noah, has already lost to Matt in the top bracket, so will automatically take the 4th place position.

Sport Rules, Policies and Procedures

Rule Changes

Each year the AAU Taekwondo Program evaluates the rules of competition in order to determine if changes to the rules would create a better competition experience for the athletes. All categories of competition policies and procedures are considered. Change proposals may be submitted by the following individuals

- National Sport Chair
- Chief Referee Committee (CRC)
- TRC Chair
- Regional Directors
- District Sports Directors who are members of the TRC based on the membership numbers putting that district in the top ten (membership as of May 1)

Each year AAU clubs also have the ability to suggest changes to the program. These changes are submitted and voted on at the annual meetings of the district sport committee (for which there must be a quorum). To have voting privileges at the annual meeting, a club must have a minimum of 5 members. Those changes agreed to at the District level are then submitted to the Technical Rules Committee (TRC) for their consideration. Rules and/or policy changes that pass that body become part of the next year's handbook pending ratification by the entire National Sport Committee at their next meeting.

It has always been the policy of the AAU Taekwondo Program to consider changes the World Taekwondo (WT) makes to their competition rules. Those WT rules and competition requirements are mandated to the National Governing Bodies of Taekwondo when conducting WT licensed events. The AAU has the luxury to consider whether to accept or reject WT changes. Each WT change is considered independently with consideration to the benefit for the athlete and the competition experience.

For Team Trials competition, the WT rules in place 30 days prior to the first day of competition will be used. The TRC, via conference call, may modify these rules. Any changes must be posted on the AAU Taekwondo website no later than 15 days before the first day of competition

All rules/procedural changes must be presented to the TRC Chair in the proper format. (See Appendix F). The TRC Chair will review all change requests, consolidate duplications, sort them in a logical order following the order of the rulebook, prepare an appropriate presentation, and send them to all TRC members. The TRC Chair will also be responsible for contacting all District Sport Chairs who will be on the TRC because they rank in the top 10 districts by membership for the current year.

Policy Changes – All policy changes are made by the AAU Taekwondo Executive Committee. Suggestions can be sent to the TRC Chair who will forward them to the Executive Committee.

Regional Structure

Purpose – The AAU Districts are combined into Regions for AAU competition. These Regions are formed in order to reduce the travel distance for athletes competing in Regional competition and to equalize the competition.

Weigh-In

District and Regional Championships

Competitors will be expected to register in the most proper weight class division listed for that tournament. Any official or coach may question the weight of a prospective opponent prior to the beginning of the division. If a competitor's weight is questioned and his/her weight is found to be either over or under that weight class in which they have been assigned to compete, he/she will be disqualified from further competition that day.

Competitors unable to make their weight prior to the beginning of competition may, with the permission of the tournament director, move into another weight division other than that for which they had registered.

National Competitions

All competitors' weights must be verified within 48 hours of the start of the individual's sparring event day.

A weight may be measured twice if necessary, to make weight. The second reading of a competitor's weight may take place any time during the posted weigh-in times.

During the weigh-in, the competitor may be required to verify his/her membership in the United States AAU and provide proof of age.

During the weigh-in, Black Belt competitors, 10–11, 12–14, 15–17 and 18–32, competing in Olympic Sparring will be required to show a valid photo ID documenting date of birth (such as a driver's license, birth certificate, or passport).

Additionally, any corrections made during the check-in process due to errors made on the competition application may result in an additional **CHANGE ORDER FEE** at check-in.

Referee

Before the Match:

Calling the Competitors: The Referee stands at his mark in the ring, with both arms bent at the elbow at a 45-degree angle and the index fingers extended. He then calls the competitors to their marks by saying *Chung* (blue) and pointing the right index finger down to a 45-degree angle and slightly forward towards the athlete's mark in the ring, and then repeating the same procedure with the left hand for *Hong* (red). Competitors will enter the ring holding their headgear under their left arm.

Bowing in the Competitors: The Referee shall raise both arms, triceps parallel to the floor and at eye level), hands open (palms facing inward) and forearms bent vertically at the elbows and say *char-yeot* (attention), to indicate that the competitors should face one another and come to attention. Next the Referee shall extend the palms downward and parallel to the floor at chest level while saying *kyeong-rye* (bow) to indicate that the competitors should bow to one another.

Examine the Competitors: The Referee will instruct the competitors to put on their headgear. The Referee shall then physically examine the two competitors (Blue first, then Red) to ensure that all the requirements listed in Articles I and II In the rulebook have been followed.

To Start the Match:

The Referee shall then assume a short front stance, left foot forward, and execute a chest level right knife hand downward strike between the opponents while commanding, *joon-bi* (ready).

Next, the Referee shall extend both arms out to the side at a 45-degree angle as he/she pulls the left foot back to a walking stance, simultaneously bringing the arms in parallel to the floor, shoulder-width apart, palms facing inward and command *shi-jak* (begin).

To Temporarily Halt the Match:

The Referee shall announce *kal-yeo* (break) while extending the right hand in a sharp, shoulder-level knifehand downward strike between the opponents while standing in a left foot forward walking stance.

To Temporarily Halt the Match for a Point Call:

The Referee shall say *kal-yeo* (break). Both competitors will remain at their current position. Upon *kal-yeo*, the judges and the referee shall indicate their vote as follows:

Judges must indicate by use of flags whether a point(s) was scored and by which competitor. If a judge sees a point, he/she must kihap and extend his/her flag. Immediately upon the referees *kal-yeo* command, judges shall turn their flag to indicate which competitor they are voting for and extend 1, 2, or 3 fingers from the other hand to indicate the point(s) to be awarded.

The Referee, immediately following their *kal-yeo* command, shall indicate their vote for point by extending the appropriate arm (using 1, 2, or 3 fingers to indicate the point(s) to be awarded in the direction of the competitor who he/she thinks scored a valid point.

Upon verification that a point(s) was/were scored, the Referee, using the arm nearest the competitor scoring the point(s), will bend the elbow and extend the index finger towards the competitor, announcing the competitor's color, either Chung or Hong. Using the same arm, he/she will turn to the head table, extending either one, two, or three fingers and announce the number of points to be awarded, Il-Jeom (one point) or Ee-Jeom (two points) or Sam-Jeom (three points).

To Award the Joo-eui (verbal warning):

The Referee shall break the competitors with the *kal-yeo* command at the spot where the violation took place, turn to the timekeeper to declare *shi-gan* (non-injury time-out).

He/she will face the perpetrator of the offense and give a verbal warning to the competitor.

To Award a Kyong-go (Half-Point Penalty):

The Referee shall break the competitors with the *kal-yeo* command at the spot where the violation took place and then turn to the timekeeper to declare *shi-gan* (non-injury time-out).

Next, the Referee will face the perpetrator of the offense and place his/her right fist, forefinger extended behind his/her right ear and then point to the perpetrator's forehead, extending the interior of the arm to 135 degrees and acknowledge them as either *Chung* or *Hong*. Next he/she will place his/her right fist, forefinger extended to his/her left shoulder and then point at the forehead of the pertinent competitor, with the arm fully extended and declare *kyong-go* (half-point penalty).

To Award a Gam-jeom (Full-Point Penalty):

The Referee shall break the competitors with the *kal-yeo* command at the spot where the violation took place, and then turn to the timekeeper and declare *shi-gan* (non-injury time-out).

Next, the Referee will face the perpetrator of the offense, place his/her right fist, forefinger extended behind his/her right ear and then point to the perpetrator's forehead, extending the interior of the arm to 135 degrees and acknowledge them with either *Chung* or *Hong*.

Still facing the perpetrator, the Referee will assume an attention stance, drop the hands down to his/her sides, close the fist and then vertically raise his/her right fist, forefinger extended, and declare *gam-jeom* (full-point penalty).

To Continue the Match:

The Referee shall say *kye-sok* (continue) while striking sharply downward from the ear with a right knifehand and returning upward again.

To Reverse a Violation Call:

The Referee shall point to the competitor and declare chung or hong, then extend the right palm to the front, move the hand to the right, then to left as wide as the shoulders, then back to the center while facing the computer operator and verbally declare the violation to be reversed (Kyong-go or Gam-jeom).

To End the Match:

The Referee shall say *keu-man* (stop) and command the competitors return to the starting position. The athletes should remove their headgear and place it under his/her left arm. The Referee will bow out the competitors following the same procedure outlined to bow them in.

To Award the Winner:

Still standing between the two competitors and facing the computer operator, the Referee will drop both hands to the his/her side, raise the right arm with the closed fist to the sternum, continuing to raise the right arm in a knife hand up at a 45-degree angle with the palm facing upward and declare *Chung sung* if Blue is the winner. If Red is the winner, follow the same procedure with the left hand and declare *Hong sung*.

To Award the Medal Places:

At the end of the competition, the Referee will line up the top 4 place winners by calling the names of the winners from 1st place to 4th place (or 3rd if awarding two third places), indicating where they should stand. The Referee will then announce the places starting with 4th place (or 3rd if awarding two third places) and ending with 1st place while extending the appropriate number of fingers over each competitor's head to indicate the place they won.

Judges**To Temporarily Halt the Match for a Point Call:**

The Judge shall *ki-hap* (yell) loudly while extending his/her flag to a position parallel to the floor at chest level. This signifies the intent to score a point if called to do so. Any Judge who sees a point should *ki-hap* and extends his/her flag to a position parallel to the floor at chest level regardless of the number of other officials who do so. The blue flag should always be held in or facing the judge's right hand.

To Make a Call: The Judge(s) that presented their flags, signifying the intent to score a point(s), will upon the referee's *kal-yeo* command, flip the flag perpendicular to the floor. The color of the flag corresponding to the competitor that the judge feels scored the point(s) will be pointed upward while simultaneously indicating the number of points to be awarded (one, two, or three) with the other hand.

To Confer with the Referee:

The Judge shall *ki-hap* loudly and stand.

Awarding Points

A majority of the officials must concur for a point(s) to be awarded. **All Point Sparring matches will use one (1) Referee and two (2) judges. The Referee and judges will score, points awarded will be the highest number agreed upon by two or more officials.**

Example: judge 1 calls for 2 points blue and judge 2 calls for 3 points blue; both judges are calling for a minimum of 2 points blue, therefore 2 points will be awarded to blue.

At least two officials must see the same competitor score. If two officials call for either one or two points for the blue competitor and one calls for one or two points for the red competitor, the blue competitor will be awarded the point(s).

Referee

Before the Match, the Referee Shall:

Call the Competitors: Standing at his mark in the ring, the Referee with both arms bent at the elbow at a 45 degree angle and the index finger extended, calls the competitors to their marks by saying *Chung* (blue) and pointing the right index finger down to a 45 degree angle and slightly forward towards the athlete's mark in the ring, and then repeating the same procedure with the left hand for *Hong* (red). Competitors will enter the ring holding their headgear under their left arm.

Bow in the Competitors: The Referee shall raise both arms (triceps parallel to the floor and at chest level), hands open (palms facing inward) and forearms bent vertically at the elbows and say *char-yeot* (attention), to indicate that the competitors should face one another and come to attention. Next the Referee shall extend the palms downward and parallel to the floor at chest level while saying *kyeong-rye* (bow) to indicate that the competitors should bow to one another.

Examine the Competitors: The Referee will instruct the competitors to put on their headgear. The Referee shall then physically examine the two competitors

(Blue first, then Red) to ensure that all the requirements listed in Article I and II above have been followed.

To Start the Match:

The Referee shall assume a front stance, left foot forward, and execute a chest level right knife hand downward strike between the opponents while commanding, *joon-bi* (ready).

Next, the Referee shall extend both arms out to the side at a 45-degree angle as he/she pulls the left foot back to a walking stance, simultaneously bringing the arms in parallel to the floor, shoulder-width apart, palms facing inward and command *shi-jak* (begin).

Official Signals and Language: Bracketed Forms Competition

Officials shall use authorized gestures and terminology, as indicated below during the competition.

Referee

Before the Start of the Division

The Referee shall line up the competitors at the back of the ring and bow in the division. Next, the Referee shall check all competitors' forms to ensure that they are performing patterns appropriate to their rank and division.

Before the Match

Calling the competitors: The Referee stands at his/her mark in the ring, with both arms bent at the elbow at a 45-degree angle and the index fingers extended. He then calls the competitors to their marks by saying *Chung* (blue) and pointing the right index finger down to a 45-degree angle and slightly forward towards the athlete's mark, and then repeats the same procedure with the left hand for *Hong* (red).

Bow in the Competitors

The Referee shall raise both arms (triceps parallel to the floor), hands open (palms facing inward) and forearms bent vertically at the elbows and says *char-yeot* (attention), to indicate that the competitors should face one another and come to attention. Next the Referee shall extend the palms downward and parallel to the floor at chest level while saying *kyeong-rye* (bow) to indicate that the competitors should bow to one another.

To Start the Match

After bowing in the two **competitors**, the referee shall indicate for them to face the front by turning his/her hands forward. Once facing the front, the referee will tell the competitors to move to their starting positions. The Referee will then announce *joon-bi* (ready). After the announcement of *joon-bi* (ready) the referee shall start to back out of the ring. Once the competitors are ready the Referee shall announce *shi-jak* (begin).

The Referee shall exit the back of the ring and stand at the edge of the mat.

To End the Match and Vote for the Winner

The Referee will return to the center of the ring, and call competitors back to the starting position. The Referee will then bow out the competitors following the same procedure used to bow in the competitors. Next, with both arms parallel to the floor, palms down and fingertips touching the Referee will command "Judges, Call." The Referee shall remain with both arms parallel to the floor, palms down and fingertips touching and calculate the votes of the three judges. If there are only two judges, the referee will vote by raising the arm for the appropriate competitor (right for Blue/Chung and left for Red/Hong) to a 90 degree angle and include their vote in with the two judges.

To Award the Winner

Still standing between the two competitors and facing the head table, the referee will drop both hands to his/her side, raise the right arm with the closed fist to the sternum, continuing to raise the right arm in a knife-hand up at a 45-degree angle with the palm facing upward and declare *Chung sung* if Blue is the winner. If Red is the winner, follow the same procedure with the left hand and declare *Hong sung*.

To Award the Medal Places

At the end of the competition, the Referee will line up the top 4 place winners by calling the names of the winners from 1st place to 4th, indicating where they should stand. The Referee will then announce the places starting with 4th place and ending with 1st place while extending the appropriate number of fingers over each competitor's head to indicate the place they won.

Judges

To make a call

Upon the referee's command, "judges," each judge shall hold the flag or controller at chest level parallel to the floor. When using flags, upon the Referee's command "call" each judge shall flip the flag perpendicular to the floor with the color of the flag corresponding to the competitor that the judge feels performed the superior pattern, according to the criteria for judging forms, pointed upward. If using electronic scoring

implements, the judges shall press the appropriate one point button to indicate their vote for the winning competitor.

To indicate that a form may have been enhanced

After the Referee's awarding the match, if a judge feels a form may have been enhanced or is illegal (not allowed for the competitor's current rank), he/she shall stand up and kihap. Upon being questioned by the Arbitrator, the judge will state their opinion as to why the form was enhanced or is illegal.

Submitting Rule Changes to the AAU TKD Handbook

The TRC Chair will set deadline dates for rule change proposals to be submitted and alert all TRC members regularly of those deadlines. An explanation of who is allowed to submit changes is listed in the front of the handbook under 'Sport Rules, Policies and Procedures.'

All proposed changes must be presented using the proper format or they will be rejected. The section of the handbook must be identified, (for example point sparring, forms, etc.). Following the section should be an explanation or justification for wanting the change. The Articles and sub-articles, as written in the handbook, which are being proposed for a change must first be copied to the submitted form twice. The first copy remains intact to show how the rule/policy/procedure currently reads. The second pasted copy will show the proposed change(s). These changes are shown by **yellow highlighting proposed additions**, while ~~strikethroughs~~ will show wording to be deleted.

Doing a copy/paste special/keep source formatting function, as opposed to re-typing the information, will keep the proposal in the proper formatting which will allow an easier transition back to the handbook. If working with a very large section of the book, you need only copy the Article and section numbers making sure that anything being changed is included, but it is not necessary to include several pages if what you are working with is that long.

Remember that these are examples only and may not reflect actual pages or Articles in the actual handbook.

(Example 1)

Submitted by: Ozark District

Section in Handbook: Olympic Style Sparring page 28

Justification for change: Many people like to use some kind of headband or doo-rag to keep the sweat out of their eyes. The connotation of 'gangs' or 'wearing colors of other nations' isn't really relevant enough to keep this arcane rule in play.

Article IV. Duties of Officials (Referees, Judges, Team Leaders and Computer Operators)

Current Rule:

Article I. Protective Equipment

I.A. Mandatory Equipment for Non-PSS Matches. All competitors must wear:

I.A.1. Olympic style chest protector

I.A.2. Headgear

I.A.2.a. The Blue competitor must wear blue headgear

I.A.2.b. The Red competitor must wear red headgear

I.A.2.c. Other than the headgear, no other item shall be worn on the head with the exception of religious headwear which shall be worn under the headgear and inside the uniform and shall not cause harm or obstruct the opposing competitor.

Change to:**Article I. Protective Equipment**

I.A. Mandatory Equipment for Non-PSS Matches. All competitors must wear:

I.A.1. Olympic style chest protector

I.A.2. Headgear

I.A.2.a. The Blue competitor must wear blue headgear

I.A.2.b. The Red competitor must wear red headgear

I.A.2.c. ~~Other than the headgear, no other item shall be worn on the head with the exception of religious headgear which shall be worn under the headgear and inside the uniform and shall not cause harm or obstruct the opposing competitor.~~ Religious headgear and long hair shall be worn under the headgear and inside the uniform and shall not cause harm or obstruct the opposing competitor.

(Example 2)**Submitted by: Pat Weseman (Regional Director)**

Section in Handbook: Olympic Style Sparring Page 40

Justification for change: WT has removed the reference to KO or Knockout. Any match resulting in a competitor not returning to the fighting position following an eight-count will result in the match being called due to RSC.

XV.A. Determination of the Winner shall be made as follows:

XV.A.1. Win by Knock Out (KO)

XV.A.2. Win by Referee Stops Contest (RSC)

XV.A.8. Win by Disqualification (DSQ)

XV.A.9. Win by Referee's Punitive Declaration (PUN)

Change to:**Article XV. Decision**

XV.A. Determination of the Winner shall be made as follows:

~~**XV.A.1.** Win by Knock Out (KO)~~

XV.A.2. Win by Referee Stops Contest (RSC)

XV.A.3. Win by Final Score (PTF)

XV.A.4. Win by Point Gap (PTG)

XV.A.8. Win by Disqualification (DSQ)

XV.A.9. Win by Referee's Punitive Declaration (PUN)

(Example 3)

Section in Handbook: Point Style Sparring Page 15

Justification for change: WT has increased the amount of tape allowed. Changing points sparring makes it comparable to Olympic style sparring

Current Rule:**Article II. Personal Requirements**

II.D. Medical Tape. A maximum of two layers of tape are allowed except in the case of an injury. For an injury, the minimum amount of tape that will protect the area should be approved by tournament medical team. Under no circumstances will a hard splint or cast be allowed, no matter how small.

Change to:**Article II. Personal Requirements**

For an injury, the minimum amount of tape that will protect the area should be approved by tournament medical team. Under no circumstances will a hard splint or cast be allowed, no matter how small.
