- In 3 team pools without a cross-over, teams will play 3 sets to 25 points with no court change. Sets will count towards your finish.

The schedule and results will be available online through Advanced Event System (AES) www.advancedeventsystems.com and AAU Volleyball www.aauvolleyball.org. Check either website for any updates. In the event that you are in question of your finish after pool play, or if there is a discrepancy in your standings, report to the Championships Desk at your playing facility immediately.

Teams are responsible for knowing their playing and officiating assignments. Please check your schedule online frequently. All schedules are subject to change.
