

## AAU Volleyball Classic Entrance Protocol & Spectator Policy

**\*If you are experiencing any flu-like symptoms, or have a fever we highly suggest that you do not try to come into the event. Doing so could greatly impact your teams' eligibility. \***

### Spectator Policy

15 Spectators will be allowed in per team. A website for ticket purchases, along with a team code will be distributed to club directors. Once the limit of 15 is reached for your team code, no other tickets will be allowed for that team code. All tickets must be purchased online. There will be no on-site cash tickets sales. Team codes will be sent to clubs as soon as possible.

Spectator ticket prices: Day Pass: \$14.00 2 Day Pass: \$25.00

3 & Under: Free and do not count towards your 15 spectators.

### Precautions

- 1) Masks must be worn at all times during your health screen process.
- 2) Temperature checks will take place each day that you are entering into the building.
- 3) All teams will need to prepare to complete your temperature checks **together**. All athletes, coaches and chaperones that are entering the building for the day, will need to do so at the same time. Spectators for each team will enter the hall at a separate entrance.
- 4) Once your whole team is together, you will proceed to the temperature check line.
- 5) At this time, you will also turn in your waivers for your entire roster.
- 6) Once all members have passed the temperature check, you will be given wrist bands to signify that you have passed the health check for the day. These wristbands **MUST** be worn at all times in the building, including athletes. If you are found not wearing your wristband you will be required to return to the temperature check station outside in order to be checked.

### Once inside the building

- 1) All participants entering the building will need to wear a mask at all times EVEN if you have already been vaccinated. The only exception to this precaution is for athletes who are competing during their warm up time or matches.
- 2) Athletes who are on the bench will need to wear their masks.
- 3) Coaches will need to continue to wear their masks during the match.
- 4) We are asking that chaperones, coaches, and athletes maintain 6 feet of distance from other participants when not competing during a match.
- 5) There are hand sanitizing stations placed throughout the competition for your use.
- 6) Social distance markers will be placed by food carts and bathrooms to encourage social distancing.
- 7) To eliminate points of contact, water stations will **not** be provided. Please be prepared to bring sufficient water for athletes and all participants in with you. Coolers will be allowed in the hall and must stay with your team at all times.

**Precautions are subject to change and may be updated or added to at any time.**

### AAU Volleyball COVID FAQ's

<p>If someone has a temperature, are they prohibited from playing?</p>	<p>Any members who test with a high fever, will be brought to a “cool down” room. If a second temperature tests high, the team will be disqualified from the event.</p>
<p>If someone tests positive for COVID-19, is the tournament shut down?</p>	<p>No. However, anyone who has had close contact with the person testing positive will be asked to leave the event in compliance with CDC guidelines. This includes teammates and anyone with shared transportation and/or lodging. Any areas that were potentially contaminated will be cleaned and sanitized per CDC recommendations.</p>
<p>Do teams have to quarantine prior to the tournament if they are from out-of-state?</p>	<p>No. Participation has been limited to domestic teams to reduce the risk of transmission during the tournament. All teams and attendees are encouraged to follow travel recommendations from their local health departments and to isolate for any known exposure or for the presence of any symptoms.</p>
<p>Are masks required? Do athletes have to wear them when playing?</p> <p>Do athletes have to wear a mask on the bench?</p>	<p>As a precautionary measure, all attendees will be expected to wear a mask unless involved in active tournament play.</p> <p>Yes, when an athlete is substituted out of the match, they will be asked to sanitize their hands and then put on their mask.</p>
<p>If someone tests positive for COVID-19, do the individual and team members need to quarantine in Florida for 14 days?</p>	<p>The CDC does not generally issue advisories or restrictions for travel within the United States. There are no self-isolation requirements in Florida. Participants should check with their local health departments for any self-quarantine mandates in their local communities.</p>
