- **Please note, for the Team Rep/Club Director to sit on the bench, he or she must be listed on each team roster as one of the five (5) bench personnel.**
- Bench personnel can be listed on multiple rosters, but will only receive one credential.

**Team rosters (including uniform numbers) must be submitted ONLINE by May 10. Online changes will be accepted up until June 8. After June 8, any changes must be made onsite at Team Check-In.** Once the roster is verified by the representative at the onsite Team Check-In, the roster will be in effect throughout the event. Any adjustments to the roster (including uniform number changes) after it has been verified must include a \$25 fee per change. **NO ATHLETES MAY BE ADDED TO THE TEAM ROSTER AFTER THE TEAM'S FIRST MATCH BEGINS.** Please refer to the Team Check-In section regarding additional information.

**Rosters for College Recruiters:** The rosters submitted for ages 14 to 18 as of May 31 will be provided to college recruiters. Please be sure to have your rosters updated with uniform numbers, athlete names, and recruiting information by this date. Changes after this date are not guaranteed to be provided to all the college recruiters. Do not miss this opportunity to fully expose your athletes' athletic abilities to the college coaches in attendance.

**COACHES: BE PREPARED!** You can no longer register for non-athlete (coach, chaperone, club director) membership onsite due to the background screening. Membership is no longer instant for non-athletes and can take up to 10 days or more to be approved. To add a non-athlete onsite, you must have a copy of the approved membership card.

## CHAPERONES

Chaperones are not required, but strongly recommended to assist club administrators and coaches with the supervision of the athletes. A maximum of two (2) chaperones will be provided an event credential allowing access into the venues at no charge. A coach may not be a chaperone for the team. Chaperones will not be permitted to sit on the team bench during competition or be allowed on the competition floor. Chaperones must be non-athlete members of the AAU, which is \$16.

Credentials for chaperones will be distributed at Team Check-In to the team representative. It is the responsibility of the chaperone to obtain their appropriate credentials from the team representative. **If it is found that credentials are misused or chaperones misrepresent themselves, credentials will be confiscated.**

## COACHES' MEETING VIDEO

A Coaches Meeting video will be available online prior to the Championships. Rules, guidelines, and other important information will be reviewed. **All coaches are expected to watch the video prior to the start of the event. Attention Club Directors: Please be sure that all of your coaches watch this video and understand the rules. They are responsible to know the information that is reviewed in the video.**

**There will not be any scheduled coaches meetings.** Tournament Officials will be available during the tournament at the Championship Desks at the Orange County Convention Center. The coaches video is posted here: <https://www.youtube.com/embed/RodTPpAdca4>.**

## SEEDING INFORMATION AND TOURNAMENT RESULTS (Due May 10)

Seeding for the National Championships is determined by the seeding committee\*. The committee considers many factors when seeding teams including, but not limited to the following:

1. Team's results throughout the year as submitted in AES
2. Team's results against other teams in the field as submitted in AES
3. AES national ranking engine
4. Team's final standing at previous year's National Championships
5. Seeding information submitted to AAU

**Each team is REQUIRED to submit seeding information and tournament results from the season by May 10.**

The written information you provide about your team as well as your competitive opponents, will allow the seeding committee to make a more accurate seeding structure. Failure to provide complete and thorough information will jeopardize your team's chance of being seeded correctly.

**All teams must submit information. If your team has not competed together prior to the Championships, you must still submit information about your team. This is required by May 10.**

**STEP 1:** Each team must submit general Seeding Information as part of the online event registration process. In the AAU Volleyball event system, click the ***Seeding Information Part 1*** to complete the information. Information includes overall team record, AES/USAV team code, and additional questions about your team.

**STEP 2:** Tournament results from throughout your season are required. Results in the AES system will be used if you add your AES (or USAV) Team Code on Part 1. It is strongly recommended that you provide results through AES as information from the AES ranking engine will also be used. Please be sure your results are updated and accurate. You may set up an AES account at no charge. For more information, please refer to the Seeding/Results section in the online registration system. You may also submit information on the AAU Results Form through the AAU online registration system; however, results that are submitted separate from AES are not used in the AES ranking engine. For additional information, click on ***Results – Part 2*** in your online account.

- **The libero CAN be team captain, game captain or both.**
- For uniform requirements, please see below.
- For an explanation of the Libero players, please refer to the 2021-2023 USA Volleyball Domestic Competition Regulations available at [www.usavolleyball.org](http://www.usavolleyball.org).

### Uniform Requirements:

- **Each player is required to wear the same jersey number throughout the event (per division)** with limited exceptions as required by emergency or blood rule applications. This applies to all players including the Libero position. If players share the Libero position from match to match, a player shall wear the same jersey number whenever they play, whether they are or they are not, assigned to the Libero position.
- **Identical uniforms are required, with the following exceptions:**
  - **The Libero must wear a uniform jersey that is immediately recognized from all angles as being in clear contrast to and distinct from the other members of the team.** The Libero jersey must contrast in color from the predominant color(s) of the other members of the team. Predominant color(s) is the color(s) appearing on approximately half of the uniform. ### Centerline and Net Touch Rules:

- Encroachment into the opponent's court with any part(s) of the body is permitted, provided some part of the body remains either in contact with or directly above the centerline, and there is no interference with opponents. Completely crossing the centerline with the foot, feet, or hands, or encroachment with other body parts must not present a safety hazard to opponents.
- Contact with the net by a player between the antennae, during the action of playing the ball, is a fault. The action of playing the ball includes (among others) take-off, hit (or attempt) and landing.
- Players may touch the post, ropes or any other object outside the antenna, including the net itself, provided that it does not interfere with play.
- A player interferes with play by (amongst others) touching the net between the antennae or the antenna itself during action of playing the ball, using the net between the antennae as a support or stabilizing aid, creating an unfair advantage over the opponent by touching the net, making actions which hinder an opponent's legitimate attempt to play the ball, or catching/holding onto the net. Players close to the ball as it is played, or who are trying to play it, are considered in the action of playing the ball, even if no contact is made with the ball. However, touching the net outside the antenna is not to be considered a fault.
- For complete rules, please refer to the 2021-2023 USA Volleyball Domestic Competition Regulations available at [www.usavolleyball.org](http://www.usavolleyball.org).

### **TEAM OFFICIATING DUTIES**

Teams will be given working assignments within their pools. Each team **MUST** provide qualified persons as follows: one (1) scorekeeper, one (1) scoreboard operator, two (2) line judges and one (1) Libero tracker. These requirements are subject to change. **In addition, a rostered coach must be present at the score table for the entire match when your team is scheduled to work. Scorekeepers must be competent or they will be removed and the team will be required to hire an official scorekeeper through the event staff.** If the scorekeepers are removed, the team will be charged. Competency will be determined by the Championship Committee. To view the AAU Volleyball Scoring Clinic please visit [www.aauvolleyball.org](http://www.aauvolleyball.org).

Officiating teams must report to the referee at the beginning of the warm-up time. Teams are considered late for their officiating assignment if all members of the officiating crew are not in attendance at the end of the warm-up period.

Failure to provide the officiating crew for your assigned match could result in the forfeit of the first game of your next match. For every minute the officiating team is late, one point will be given to the opponent in the next match, up to the 25-0 forfeit. The second offense will result in the loss of your next assigned match. It is the responsibility of the Head Coach to verify officiating duties at the Championships Desk.
