WHY JOIN THE AAU?

(Check out the AAU website at www.aausports.org)

The sport of Men's Basketball is one of many offered by the Amateur Athletic Union sports program. Through its nationwide network of local associations, the AAU offers outstanding service to its members. Here are some reasons why you should be a member of the AAU:

1. The AAU has a nationwide network of sports administration professionals and volunteers.
2. The AAU provides opportunities for participation in national, regional and local basketball tournaments and clinics.
3. Membership in the AAU is inexpensive. The annual membership for adults is only \$20.00—includes insurance. Additional coverage is available for \$23.50. Please see the AAU insurance brochure for more information. Go to www.aausports.org and click link to insurance.
4. AAU membership provides each member with accident insurance (which is secondary and comes into force after any primary coverage) for all properly sanctioned AAU events. AAU membership also provides each member with similar coverage during supervised practices of member clubs. Specific details on coverage, exclusions, and how to file a claim can be obtained from your local AAU Association.

HOW TO GET INVOLVED

1. The Men's AAU National Officers — Executive Board, Regional Chairpersons and Association Chairpersons are all volunteers. We need more volunteers to assist with expanding AAU Men's competition opportunities and always welcome your involvement.
2. Consider developing your own league or getting involved with the local recreation department to develop AAU competition.
3. Please read this brochure and contact the local AAU Association in your area, the Regional Chairperson listed in your area or the AAU National Headquarters.

QUALIFYING PROCEDURES FOR ENTRY TO THE MEN'S NATIONAL CHAMPIONSHIP

Sixteen teams qualify for the Men's National AAU Championship as follows:

- 1 - Defending Champion
- 1 - Host Team
- 14 - Qualifying Tournaments

Qualifying tournaments may take place between September 1-February 15.

1. The winner of a qualifying tournament advances to the National Championship. If you want to host a qualifying tournament, contact your local association regional chairperson or John Pariseau.

CRITERIA FOR A QUALIFYING EVENT

1. All teams and participants must be AAU registered prior to participation. Contact your Local Association for registration assistance. For your Local Association call:

- 1-800-USA-4USA
- 1-800-872-4872

2. Qualifying events should include a minimum of eight teams.

3. FIBA playing rules should be used (not required) because FIBA rules will be used at the National Championship.

4. The winner of an approved qualifying tournament qualifies for the National Championship. If the winner decides not to attend, the second place team will be invited. More than one team may qualify from a qualifying event.

MEN'S MASTERS BASKETBALL PROGRAM (NATIONAL CHAMPIONSHIP)

The AAU Master Program began in 1985 and functions in the same manner as the current Men's Program. All rules and regulations pertaining to the Men's Program including eligibility, insurance and registration apply to the Master Program.

1. The Masters Program consists of eight divisions with eight separate national championships. Participation is organized for persons 30 years of age and above, 35 and above, 40 and above, 45 and above, 50 and above, 55 and above, 60 and above, and 65 and above.

2. Participants may play down in age, but not up (e.g. a person 45 years of age may play in the 35 and above age division, but not in the 50 and above division).

3. At present there are no qualification requirements for participation in the annual Men's Masters National AAU Championships. All teams or clubs are encouraged to participate.

RULES FOR COMPETITION

FIBA (Federation of International Basketball Associations) playing rules, referred to as "International Rules," will be used at the national championship competition. FIBA rules may be obtained by writing to USA Basketball and payment of established fees. The address is: USA Basketball, 5465 Mark Dabbling Boulevard, Colorado Springs, CO, 80918-3842. The telephone number is 719/590-4800; Fax 719/590-4811.

MEN'S BASKETBALL PROGRAM - ELIGIBILITY RULES

1. To participate in AAU Men's Basketball, a person must be a US citizen and be an amateur in accordance with the AAU Official Code. A team may include 3 foreign players for association, regional and national championships, provided they meet the requirements of the AAU Official Code Book.
2. All players must be officially registered with the AAU prior to participation in any sanctioned AAU competition.
3. There is no age restriction for participation in Men's AAU Basketball competition. Age restrictions apply to the Masters Program.
4. Any basketball player will be permitted to participate in AAU Men's competition provided that player, at the time of the AAU competition, is not under contract (being paid) to perform as a basketball player for any professional team.

Comment: The purpose of this rule is to permit any basketball player to participate in AAU competition, providing that player is not currently being paid to perform on the basketball court. For all qualifying and championship events, the team managers and coaches must certify that all players who are participating are not currently being paid to perform as a basketball player. Should it be determined that a team used a player who was under contract, and being paid to perform as a professional player during an AAU Competition, that team will automatically forfeit all contests in which the ineligible player participated and the right to a championship in any event.

5. Not more than one transfer from one AAU club to another will be permitted any basketball player in any one season and only under the following circumstances:
6. All transfers of basketball players from one club to another must be made on or before January 1. No transfers may be made after January 1.
7. Only those basketball teams that participate in a qualifying event will be permitted to add a maximum of three players to their roster from rosters of other area teams who participated in qualifying events.
8. Collegiate players may participate in AAU men's basketball competition provided they meet the requirements of the AAU Code. Collegiate players may be added to teams participating in association, regional or national championships provided that such participation will not jeopardize their eligibility for future collegiate competition. It is the responsibility of the club secretary or manager to ensure that it is permissible for said players to participate in AAU

competition. In addition, players who have not previously participated in AAU Men's Basketball competition may be added to team rosters for association, regional and national competition at any time.

9. Players who participate in tournaments, leagues or any other competition that is not part of the determination of a National Championship may participate with any club in such competitions as long as they hold a valid AAU Card. For example, the Western Invitational Tournament (WIT) held in Lewiston, Montana.

10. All questions of eligibility, qualification of competitors, interpretations of the aforementioned rules shall be referred to the National Chairman of the Men's Basketball Committee.

AAU INSURANCE COVERAGE

Please go to www.aausports.org for insurance information and to register online.

AAU ACCIDENT POLICY

In conjunction with its overall sanctioning and membership program, the AAU maintains an insurance program that provides coverage for its districts, member clubs/teams, and individual members conducting and/or participating in its sanctioned events. There are two broad types of insurance coverages included in the AAU insurance program: **General Liability and Sports Accident**. It should be noted that the AAU does not sell insurance but rather provides accident and liability coverages as one of the many benefits of membership.

It can be extremely difficult and expensive to obtain insurance coverage for individual amateur athletic competitions. Yet if insurance is not obtained, the personal assets of the individuals conducting the event may be at risk. Many owners of sports facilities, especially municipalities and schools, will not permit the use of their property or facilities unless it can be demonstrated that both they and the entity/individuals conducting the event are covered under an insurance policy. **Without insurance, the opportunity for amateur athletes to compete in organized sports programs is substantially limited.**

GENERIC INSURANCE CERTIFICATE

A generic insurance certificate is available for all member clubs at no cost and is their "Proof of Insurance." This certificate does not list or name any facilities as Additional Insured. A valid Club code is required.

AB INSURANCE CERTIFICATE

An AB insurance certificate is available for all AB member clubs at no cost and is their "AB Proof of Insurance." This certificate does not list or name any facilities as Additional Insured. A valid Club Code is required.

THIRD PARTY PRACTICE INSURANCE CERTIFICATE

A third party practice insurance certificate (the third party is also known as a certificate holder, additional insured, named insured) is for all member clubs (fee required) that need to specifically name the school, gym, facility, venue, site, etc., that the club uses for practices. You will need a valid club code to apply for these certificates.

THIRD PARTY SANCTIONED EVENT INSURANCE CERTIFICATE

A third party sanctioned event insurance certificate (the third party is also known as a certificate holder, additional insured, named insured) is for all member clubs (fee required) hosting an AAU Sanctioned Event that need specifically name the school, gym, facility, venue, site, etc., being used for that event. The Event Sanction must have been approved and assigned an Event Sanction Code in advance of this request.

MEN’S BASKETBALL PROGRAM (MEN’S AND MASTER’S) ATHLETE REGISTRATION INSURANCE COVERAGE AND FEES

It is imperative that the proper procedures for registering athletes be followed in order to ensure eligibility and to obtain insurance coverage for the athletes, coaches and managers in accordance with the representations that are made to them in our membership materials.

There are essentially three (3) requirements to be met in order to obtain insurance coverage (liability as well as accident):

1. The athlete must be registered (coaches and managers should also register).
2. The insurance premium and membership documentation must be transmitted to the AAU National Office.
3. The competition must be conducted pursuant to a proper sanction (all clubs and athletes registered with the AAU).

Insurance coverage is a valuable component of the AAU membership but is AVAILABLE ONLY IF THE FOREGOING PROCEDURES ARE FOLLOWED.

HERBERT JOSEPH MOLS AWARD

In 1988, the Men's Basketball Committee established the Herbert Joseph Mols Award in his honor to recognize his many years of service and contributions to AAU Men's Basketball. He served as president and perpetual secretary of the Niagara Association of the AAU; as the manager of the United States team that participated in the 1971 Pan Am Games; as manager of the 1972 United States Olympic team and the 1974 team that participated in the World Championships. He was a long-standing member of the Men's AAU Basketball Committee and was also considered the "father of the Empire State Games". The award will be awarded to a participant in the National Men's AAU Championship voted as the best defensive player.

NATIONAL AAU MEN'S BASKETBALL CHAMPIONSHIP

WILLARD N. GREIM DISTINGUISHED SERVICE AWARD WINNERS

Established by the Men's Basketball Committee in honor of Willard N. Greim for his long and distinguished service to the sport of AAU basketball. Mr. Greim served as President of the AAU from 1944-1946, and he was one of two Americans to have held the President's Office of FIBA. He was elected to the post three times and served from 1948-1960. George Killian was FIBA President from 1995-2003.

The award is presented to honor distinguished service and outstanding contributions to the Men's AAU Basketball Program.

NATIONAL AAU MEN'S MASTER'S CHAMPIONSHIP

The first AAU Men's Master's Basketball Championship was held in Jacksonville, Florida, May 2 - 5, 1985. The original concept for the tournament was to have 2 divisions; 35 years of age and over and 45 years of age and over. As it worked out, a 30 years and over and 45 years and over competition was held. During 1986, 3 divisions were established for the championship; 30 and over, 40 and over and 50 and over. In 1987, five divisions were planned (30 and over, 35 and over, 40 and over, 45 and over and 50 and over). The 45 and over group was not used. In 1988, five divisions were established. They were 30 and over, 35 and over, 40 and over, 40 and over, 45 and over and 55 and over. In 1993 a sixth division of 60 years of age and over was established. In 1996 a seventh division of 30 and above was added. In 1999 an eighth division of 65 and above was added.
