***Corrections to results will only be accepted from the Meet Director if they are omissions or corrections resulting from a specific document challenge made by the coach, parent or athlete. These corrections must be initiated, corrected and submitted by the Meet Director to AAU Support with proper documentation within twenty-four (24) hours of the conclusion of the meet.**

All athletes, teams, events and marks achieved in the District Qualifiers will be advanced to the National Qualifiers for declaration. An athlete will be able to declare all events in which they competed at a District Qualifier and will be able to enter any other event at the National Qualifier. AAU event limitation rules apply. An athlete will only be allowed to declare the maximum number of events allowed per his/her age division. Athletes are allowed to compete in multiple District Qualifiers. All performances will be updated and the best marks will be listed for declaration.

Please note that while an athlete can declare all events with marks achieved at the District Qualifier, they will only be allowed to enter events that were not competed at a District Qualifier with a No Mark at the National Qualifier.

Athletes who did not compete in a District Qualifier will only be eligible to compete in the pole vault, javelin, steeplechase and multi-events. **Relay teams must be declared on the National Qualifier level**

Some District Qualifiers will be held after declarations are open for National Qualifiers. **Coaches, athletes and parents should not start the declaration process for the National Qualifier until the team or athletes have finished competing in all of the District Qualifiers that they have chosen to compete.**

Once a team has entered **anyone** on the team in a National Qualifier, the team entry is created and **no changes** to marks will be accepted. So if a team goes to a District Qualifier, then declares for a National Qualifier, then goes to another District Qualifier; the marks from the 2nd District Qualifier will not be advanced.

***Top five (5) athletes in individual track & field events and top four (4) relay teams and multi-event athletes at each National Qualifier Meet will advance to the AAU Junior Olympic Games.**
