

2025 AAU Junior Olympic Games

Request for 4th Speed/Power Judge Form

Coaches may submit a written request to the Tournament Committee for a 4th speed judge for athletes that scored at or above the speed scores listed below score for that event, (2025 AAU Jump Rope Handbook, page 31). Requests are to be submitted as part of the team's registration materials.

The scores must be officially recorded during a 2025 regional or qualifying tournament competition. However, due to limited in-person tournament opportunities during the pandemic, coaches may submit a request for a 4th speed judge for athletes that have consistently met or exceeded the scores noted below.
